THE ELIXIR SCHOOL

Every Child Matters

ANNUAL REPORT 2023

www.theelixirschools.com

• **INTRODUCTION**

We believe quality education cannot not be confined to a particular geography, rather should be widespread. It is with this premise that we laid the foundation of The Elixir School in one of Karachi's oldest and well established communities - North Nazimabad. We aim to provide best education and development opportunities for students with a well-rounded curriculum based on the following themes:

- Environmental Questions
- Sustainable Development
- Communication & Information Technology Skills
- Etiquette, Character Building & Soft Skills
- Entrepreneurship
- Science IRD, Health & Safety

OUR PHILOSOPHY

“Our mission is to inculcate a questioning mindset in students, to tap into student's multiple intelligences via integrated curriculum that fosters love for learning, nature, diverse cultures, foreign languages and extra-curricular activities. Our students actively seek knowledge and solutions backed by strong values of honesty, hard work and harmony with the environment and community.”

OUR VISION

“To develop a holistic and integrated learning institution from early childhood to tertiary level that produces well rounded individuals who contribute positively to the society and environment”.

School Re-Opening – Academic Session 2023–24

Introduction

The Elixir School officially reopened on **3rd August 2023**, marking the beginning of the new academic session 2023–24. The reopening marked the commencement of a new year of learning, development, and educational opportunities for our students.

The beginning of the academic session provides an important opportunity for students and the school community to resume their educational journey with renewed enthusiasm and commitment towards academic excellence and holistic development.

Objective

The primary objective of the school reopening was to formally commence the academic session 2023–24 and provide students with a structured and conducive environment for learning and personal development.

The new academic year was envisioned as an opportunity for students to continue developing their academic knowledge, skills, confidence, character, and participation in co-curricular activities.

Academic Year Commencement

The reopening of the school marked the transition into a new academic cycle. Students returned to their educational environment and commenced their learning journey for the 2023–24 session.

The school calendar for the academic year incorporated a range of educational, co-curricular, community service, environmental, cultural, and student development activities, reflecting The Elixir School's commitment to providing a well-rounded educational experience.

Impact

The commencement of the new academic session established the foundation for another year of learning and development at The Elixir School. It provided students with the opportunity to continue their academic journey while participating in diverse activities designed to support their intellectual, social, physical, and personal growth.

Conclusion

The reopening of The Elixir School on **3rd August 2023** marked the beginning of the academic session 2023–24 and the continuation of our commitment to providing meaningful learning and development opportunities for our students.

We looked forward to a productive and enriching academic year filled with learning, exploration, collaboration, and opportunities for students to grow into confident and responsible individuals.

Independence Day Celebration – 14th & 16th August 2023

Introduction

The Elixir School celebrated **Pakistan's Independence Day** with great enthusiasm and patriotic spirit in August 2023. The occasion provided an opportunity for students to reflect on the significance of independence, national identity, unity, and their responsibilities as young citizens of Pakistan.

The celebration formed an important part of the school's efforts to develop patriotism, character, social awareness, and a sense of responsibility among students.

Objective

The primary objective of the Independence Day celebrations was to develop a strong sense of patriotism and national pride among students. The event also aimed to help students understand the historical significance of Pakistan's independence and appreciate the sacrifices made for the establishment of the country.

The celebration encouraged students to express their love for Pakistan while promoting values of unity, discipline, respect, and responsible citizenship.

Celebration Highlights

The Independence Day celebrations created a festive and patriotic atmosphere across the school. Students and staff participated with enthusiasm and displayed their national spirit through the celebration.

Students were encouraged to engage with the theme of independence and explore the importance of Pakistan's history, national identity, and the responsibilities associated with being a citizen.

The occasion also provided students with an opportunity to demonstrate their creativity, confidence, and appreciation for the country's cultural and national heritage.

Student Development and Learning

The celebration served as more than a commemorative occasion. It provided students with an opportunity to develop an understanding of national values and the importance of contributing positively to society.

Through participation in the celebrations, students were encouraged to develop:

- Patriotism and national pride
- Respect for the history and heritage of Pakistan
- A sense of unity and belonging
- Social responsibility and civic awareness
- Confidence and participation in school activities

Impact

The Independence Day celebration contributed positively to the school community by strengthening students' sense of national identity and encouraging them to reflect upon their responsibilities towards their country and society.

The event also brought students and staff together around a shared national occasion, fostering unity, enthusiasm, and a strong sense of community.

Conclusion

The Independence Day celebrations at The Elixir School provided a meaningful opportunity for students to celebrate Pakistan's independence while developing an understanding of patriotism, unity, responsibility, and national identity.

The school remains committed to providing students with experiences that extend beyond classroom learning and contribute towards developing confident, responsible, and socially conscious individuals.

Orientation Session for New Parents – Academic Session 2023–24

Introduction

The Elixir School organized an Orientation Session for New Parents at the beginning of the academic session 2023–24. The session was designed to establish a strong connection between the school and parents and to provide newly enrolled families with an understanding of the school's educational philosophy, leadership, faculty, facilities, and learning environment.

The orientation provided a platform for parents to become familiar with the school community and develop a shared understanding of their role in supporting their children's educational journey.

Objective

The primary objective of the orientation session was to establish effective communication and collaboration between the school and newly enrolled parents.

The session aimed to:

- Introduce parents to the school's leadership and teaching faculty.
- Familiarize parents with the school's educational environment and facilities.
- Provide an understanding of the school's approach towards holistic student development.
- Encourage active parent participation in their child's educational journey.
- Establish a positive and collaborative relationship between parents, teachers, and the school administration.

Orientation Session Highlights

Introduction to School Leadership

Parents were introduced to the leadership of The Elixir School and their respective roles in guiding the institution's educational and administrative direction.

The session highlighted the school's commitment to maintaining high standards of education while providing a supportive and nurturing environment for students.

Meet the Teaching Faculty

The teaching faculty was introduced to the new parents, providing an opportunity for parents to become familiar with the educators responsible for their children's academic development.

The importance of effective communication between teachers and parents was emphasized as an essential component of student success.

School Facilities and Learning Environment

Parents were provided with an overview of the school's learning environment and facilities that support students' academic and co-curricular development.

The orientation helped parents gain a better understanding of the resources and environment available to support their children's learning experience.

Parent-School Partnership

A key focus of the orientation was the importance of collaboration between parents and the school. Parents were encouraged to maintain open communication with teachers, participate in parent-teacher meetings, and remain actively involved in their children's educational development.

The school emphasized that a strong partnership between parents and educators contributes significantly to the academic, social, and personal growth of students.

Impact

The orientation session helped establish a foundation for effective communication and collaboration between newly enrolled parents and The Elixir School.

By familiarizing parents with the school's leadership, faculty, educational environment, and expectations, the session supported a smoother transition into the new academic year and strengthened the relationship between the school and its parent community.

Conclusion

The Orientation Session for New Parents reflected The Elixir School's commitment to transparency, communication, and community involvement. It provided new families with an opportunity to become familiar with the school's educational environment and encouraged them to take an active role in their children's learning journey.

The school looks forward to maintaining strong partnerships with parents and working collaboratively to provide students with a holistic and enriching educational experience.

Prefect Council Election – 2023

Introduction

The Elixir School places strong emphasis on developing leadership qualities, confidence, responsibility, and democratic values among its students. The Prefect Council Election was organized to provide students with an opportunity to participate in a structured leadership process and to select student representatives.

The election initiative formed part of the school's commitment to giving students meaningful opportunities to take responsibility and contribute positively to school life.

Objective

The primary objective of the Prefect Council Election was to develop leadership skills and promote a sense of democracy and responsibility among students.

The election process aimed to:

- Provide students with an opportunity to participate in a democratic process.
- Encourage students to take leadership responsibilities.
- Develop confidence and communication skills.
- Promote accountability and responsible decision-making.
- Create a student leadership structure that could serve as a bridge between students, teachers, and the school administration.

Election Process

The election process provided students with an organized platform through which candidates could participate and present themselves as potential student leaders.

Nomination

Students interested in taking up leadership responsibilities were given an opportunity to put forward their nominations. The nomination process encouraged students to demonstrate their willingness to contribute to the school community and accept leadership responsibilities.

Campaigning

Candidates were provided an opportunity to communicate their ideas and objectives to their fellow students. This stage encouraged students to develop communication, presentation, confidence, and interpersonal skills.

Voting

Students participated in the voting process to select their preferred representatives. The voting process provided students with practical exposure to democratic participation and decision-making.

Student Leadership

The elected prefects were expected to contribute towards maintaining a positive, disciplined, and respectful school environment. They were also encouraged to represent the interests of their fellow students and work collaboratively with teachers and school administration.

Through these responsibilities, students were given an opportunity to understand the importance of accountability, teamwork, discipline, and responsible leadership.

Impact

The Prefect Council Election provided students with practical experience of democratic participation and leadership. It encouraged them to express their views, make informed choices, and understand the responsibilities associated with representing others.

The initiative also contributed to students' personal development by promoting confidence, communication, responsibility, teamwork, and decision-making skills.

Conclusion

The Prefect Council Election was an important student leadership initiative at The Elixir School. By involving students in the process of nomination, campaigning, and voting, the school provided a meaningful platform for developing leadership qualities and democratic values.

The initiative reflected the school's commitment to nurturing responsible, confident, and active members of the school community who can contribute positively to the lives of others.

Community Service Program – Visit to Dar-ul-Sukoon

Introduction

As part of its commitment to developing compassionate, socially responsible, and empathetic individuals, The Elixir School conducted a Community Service Program involving a visit to **Dar-ul-Sukoon**. The initiative provided students with an opportunity to interact with members of the community and develop a deeper understanding of inclusion, empathy, and social responsibility.

Objective

The primary objective of the visit was to instill empathy, compassion, and a sense of social responsibility among students while providing them with a meaningful opportunity to engage with the residents of Dar-ul-Sukoon.

The initiative aimed to help students understand the importance of kindness, inclusion, respect, and contributing positively to society.

Activities

During the visit, students spent meaningful time interacting with the residents and participating in recreational activities.

Key activities included:

- Interaction and engagement with residents.
- Participation in a musical chair activity.
- Joint singing and dancing activities.
- Distribution of gifts among the residents.

These activities created an environment of joy, interaction, and inclusivity while allowing students to develop meaningful social connections.

Impact

The visit provided students with valuable exposure to community engagement and helped develop greater awareness of the challenges faced by individuals who may be marginalized or underserved.

Students developed a stronger appreciation for empathy, inclusion, compassion, and the importance of contributing towards the well-being of others.

The positive interaction also created moments of happiness and companionship for the residents of Dar-ul-Sukoon.

Feedback

The initiative received positive and heartwarming feedback from the residents and staff of Dar-ul-Sukoon, who appreciated the students' visit and the positive energy they brought to the community.

Future Endeavors

The Elixir School remains committed to continuing community service initiatives and providing students with further opportunities to engage with and contribute positively to the wider community.

Conclusion

The Dar-ul-Sukoon visit was a meaningful community service initiative that provided students with an opportunity to move beyond classroom learning and experience the values of empathy, compassion, inclusion, and social responsibility in practice.

The initiative reflects The Elixir School's commitment to developing well-rounded individuals who understand the importance of contributing positively to society.

Grandparents' Day – Early Years

Introduction

The Elixir School organized **Grandparents' Day** for its Early Years students as a special occasion to celebrate the valuable role of grandparents in the lives of young learners. The event provided an opportunity to bring different generations together and strengthen the connection between children, their families, and the school community.

Objective

The primary objective of the event was to recognize and appreciate the love, guidance, wisdom, and support provided by grandparents. It also aimed to strengthen intergenerational relationships and provide students with an opportunity to express gratitude towards their grandparents.

Activities

The celebration provided a warm and engaging environment where grandparents and students could spend meaningful time together.

Activities focused on:

- Student presentations and performances.
- Interactive activities involving grandparents and students.
- Opportunities for students to express appreciation and affection.
- Sharing experiences and creating memorable moments between generations.

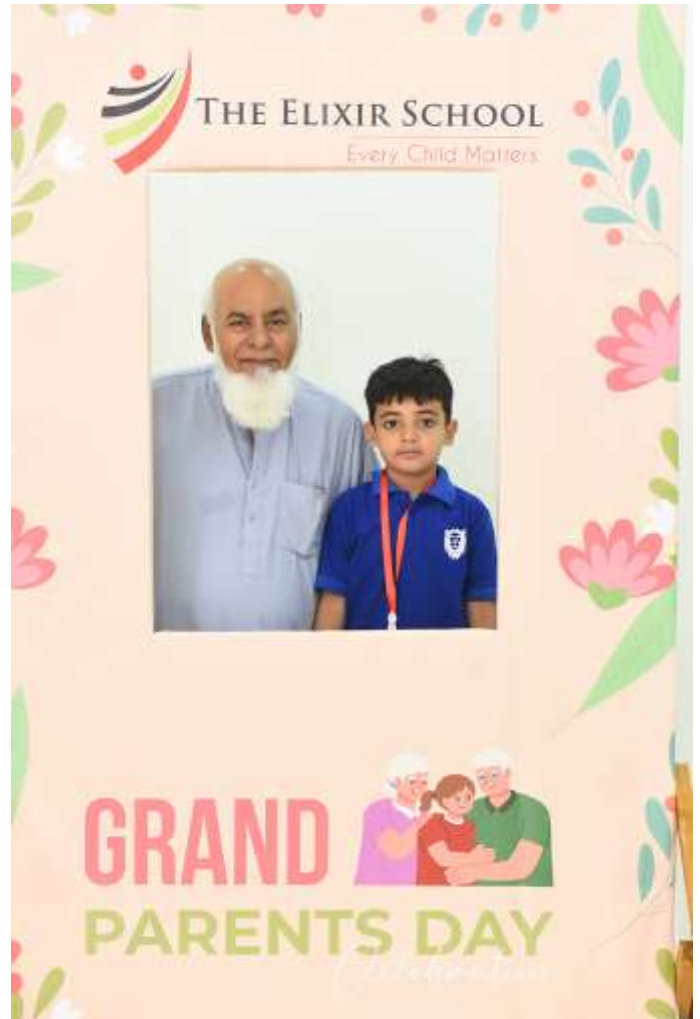

Impact

Grandparents' Day strengthened family bonds and encouraged students to appreciate the role of older generations in their lives. The interaction also promoted values of respect, gratitude, love, and family connection.

The event contributed to creating a stronger relationship between families and the school community while providing young learners with a meaningful social and emotional learning experience.

Conclusion

Grandparents' Day was a meaningful family engagement initiative that celebrated the important contribution of grandparents to the lives of our students. The event reflected The Elixir School's commitment to holistic development and to creating opportunities where learning extends beyond the classroom into family and community relationships.

Beach Cleaning Drive – Environmental & Community Service Initiative

Introduction

The Elixir School organized a **Beach Cleaning Drive** as part of its commitment to environmental conservation, community engagement, and the development of responsible citizenship among students. The initiative provided students with an opportunity to actively contribute towards protecting the coastal environment while developing awareness about the importance of keeping public spaces clean.

Objective

The primary objective of the Beach Cleaning Drive was to raise awareness about environmental responsibility and the importance of clean beaches and coastal ecosystems.

The initiative aimed to:

- Encourage students to take responsibility for their environment.
- Promote awareness about the harmful effects of litter and waste.
- Encourage responsible waste disposal practices.
- Develop a sense of community service and environmental stewardship.
- Provide students with practical exposure to environmental conservation.

Activities

Students participated in the beach cleaning activity by collecting litter and waste from the designated coastal area.

The activity provided students with a practical opportunity to understand the impact of waste on the environment and the importance of collective action in maintaining clean and healthy public spaces.

The initiative also served as an awareness-building activity, encouraging students to adopt environmentally responsible habits in their daily lives.

Impact

The Beach Cleaning Drive strengthened students' understanding of environmental responsibility and demonstrated how collective community action can contribute towards environmental conservation.

The activity helped develop:

- Environmental awareness
- Community responsibility
- Teamwork and cooperation
- Responsible waste-management habits
- Appreciation for natural environments

The initiative also contributed to improving the cleanliness of the area where the activity was conducted.

Conclusion

The Beach Cleaning Drive was a meaningful **CSR and environmental sustainability initiative** that allowed students to translate environmental awareness into practical action. It reinforced The Elixir School's commitment to developing responsible individuals who actively contribute to the well-being of their community and environment.

STEAM Exhibition – 2023

Introduction

The Elixir School organized a **STEAM Exhibition** to provide students with an opportunity to demonstrate their learning through practical, creative, and interdisciplinary projects. The exhibition reflected the school's emphasis on connecting classroom learning with experimentation, innovation, problem-solving, and real-world applications.

Objective

The primary objective of the STEAM Exhibition was to encourage students to apply their knowledge across **Science, Technology, Engineering, Arts, and Mathematics** through practical projects and presentations.

The exhibition aimed to:

- Promote creativity, curiosity, and innovation.
- Encourage practical application of classroom learning.
- Develop problem-solving and critical-thinking skills.
- Provide students with an opportunity to present their ideas and projects.
- Build confidence through interaction and presentation.
- Encourage interdisciplinary learning.

Exhibition Highlights

Students presented their projects and learning through an exhibition-based learning environment. The activity encouraged them to explore concepts, develop solutions, and communicate their understanding to others.

The exhibition provided students with an opportunity to demonstrate their creativity and practical understanding while engaging with different areas of STEAM education.

Student Development

Participation in the exhibition supported the development of important academic and personal skills, including:

- Critical thinking and problem-solving
- Creativity and innovation
- Research and inquiry
- Communication and presentation skills
- Collaboration and teamwork
- Confidence and independent learning

Impact

The STEAM Exhibition strengthened the connection between theoretical learning and practical application. Students were able to demonstrate their understanding through projects while gaining valuable experience in presenting and communicating their ideas.

The event also promoted a culture of curiosity, experimentation, and innovation within the school community.

Conclusion

The STEAM Exhibition was a valuable educational initiative that provided students with a platform to showcase their learning, creativity, and innovative thinking. It reflected The Elixir School's commitment to experiential and interdisciplinary learning and to developing students who are confident, curious, creative, and capable of applying their knowledge beyond the classroom.

Annual Sports Meet – 2023

Introduction

The Elixir School organized its Annual Sports Meet as part of its commitment to the holistic development of students. The event provided students with an opportunity to participate in physical activities, demonstrate their sporting abilities, and develop important values such as teamwork, discipline, sportsmanship, and healthy competition.

Objective

The primary objective of the Annual Sports Meet was to promote physical fitness and encourage students to actively participate in sports and physical activities.

The event aimed to:

- Promote an active and healthy lifestyle among students.
- Develop teamwork and sportsmanship.
- Encourage discipline and fair play.
- Provide students with opportunities to demonstrate their athletic abilities.
- Develop confidence, leadership, and responsibility.
- Strengthen a sense of belonging through team and inter-house participation.

Event Highlights

The Sports Meet provided students with opportunities to participate in a range of sporting activities and competitions. Students demonstrated enthusiasm, commitment, and team spirit throughout the event.

The event encouraged healthy competition while emphasizing the importance of fair play, discipline, cooperation, and respect for fellow participants.

Student Development

Participation in the Sports Meet contributed to students' physical and personal development. Through sporting activities and team participation, students developed:

- Physical fitness and coordination
- Teamwork and cooperation
- Discipline and perseverance
- Leadership and responsibility
- Confidence and sportsmanship
- Respect for rules and fair competition

Impact

The Annual Sports Meet contributed positively to the overall development of students by encouraging active participation in physical activities and promoting a healthy lifestyle.

The event also strengthened relationships among students through teamwork and healthy competition while providing opportunities for students to demonstrate leadership and responsibility.

Conclusion

The Annual Sports Meet reflected The Elixir School's commitment to holistic education, where physical development is valued alongside academic and personal growth.

The event provided students with a meaningful platform to remain physically active, develop teamwork and leadership skills, and experience the values of discipline, sportsmanship, and fair play.

Parent-Teacher Meetings – 2023

Introduction

The Elixir School conducted Parent-Teacher Meetings (PTMs) as an important part of its commitment to maintaining a strong partnership between parents and teachers. The meetings provided a structured platform for discussing students' academic progress, personal development, strengths, challenges, and areas requiring further support.

Objective

The primary objective of the PTMs was to establish open and effective communication between parents and teachers and to ensure that all stakeholders work collaboratively towards the academic and personal development of students.

The meetings aimed to:

- Review students' academic progress.
- Discuss individual strengths and areas for improvement.
- Share observations regarding students' development and participation.
- Encourage parents to remain actively involved in their children's education.
- Develop appropriate strategies and goals for continued student growth.
- Strengthen collaboration between parents, teachers, and the school.

Meeting Highlights

Teachers engaged with parents to provide updates regarding individual students' academic performance and overall development. Parents were given an opportunity to discuss their concerns, seek guidance, and share observations regarding their children's learning experiences.

Discussions focused not only on academic performance but also on students' overall development, encouraging a holistic approach to education.

Parent-School Collaboration

The PTMs reinforced the importance of collaboration between home and school. Parents were encouraged to support their children's learning through effective study routines, guidance, regular communication with teachers, and active participation in their educational journey.

The meetings also provided an opportunity to establish shared expectations and identify areas where parents and teachers could work together to support individual students.

Impact

The PTMs strengthened communication and understanding between parents and teachers and contributed to a more supportive learning environment.

The meetings also promoted greater accountability among stakeholders and encouraged a collaborative approach towards addressing students' academic and developmental needs.

Conclusion

The Parent-Teacher Meetings reflected The Elixir School's commitment to meaningful parent engagement and continuous student development. By maintaining open communication between parents and teachers, the school continues to build a collaborative educational environment focused on the academic, personal, and social growth of every student.

Open House – Trip Around the World

Introduction

The Elixir School organized its annual **Open House – Trip Around the World**, providing students with an opportunity to explore, present, and celebrate the diverse cultures, traditions, and heritage of countries from around the globe. The event transformed learning into an interactive experience and encouraged meaningful engagement between students, parents, and the wider school community.

Objective

The primary objective of the Open House was to promote cultural awareness, global understanding, and experiential learning among students.

The event aimed to:

- Develop awareness of different cultures and traditions.
- Encourage research, creativity, and presentation skills.
- Promote confidence through project-based learning.
- Foster inclusivity, tolerance, and respect for diversity.
- Strengthen engagement between the school and community.

Event Highlights

Students participated in the event through country-themed presentations, displays, and educational projects. Each presentation reflected research, creativity, and an understanding of the culture, history, landmarks, and traditions being represented.

The Open House also provided visitors with opportunities to interact with students, observe their projects, and engage in a learning experience that extended beyond the classroom.

The event created a vibrant and educational atmosphere that celebrated cultural diversity and encouraged collaborative learning.

Student Development

The exhibition provided students with valuable opportunities to develop:

- Research and inquiry skills
- Creativity and innovation
- Communication and presentation skills
- Confidence and public speaking abilities
- Cultural awareness and global understanding
- Teamwork and collaboration

Impact

The Open House enhanced students' understanding of global cultures while encouraging active participation and experiential learning. It also strengthened the connection between the school, parents, and the wider community through meaningful engagement and shared learning experiences.

The event promoted appreciation for diversity and encouraged students to become responsible global citizens.

Conclusion

The Open House – Trip Around the World was a successful educational exhibition that combined learning, creativity, and cultural exploration. The event reflected The Elixir School's commitment to providing meaningful learning experiences that broaden students' perspectives and prepare them to thrive in an increasingly interconnected world.

Educational Field Trip to TDF Magnifiscience

Introduction

The Elixir School organized an educational field trip for its Primary and Secondary students to **TDF Magnifiscience**, providing students with an opportunity to explore science and technology beyond the traditional classroom environment.

The visit was designed to encourage curiosity, scientific thinking, and practical learning by exposing students to interactive exhibits and demonstrations.

Objective

The primary objective of the field trip was to provide students with an immersive and hands-on learning experience in Science, Technology, Engineering, and Mathematics (STEM).

The visit aimed to:

- Encourage curiosity and scientific exploration.
- Connect classroom concepts with real-world applications.
- Develop critical-thinking and problem-solving skills.
- Provide practical exposure to scientific concepts.
- Encourage students to develop an interest in STEM-related fields.

Activities and Learning Experience

Students explored interactive scientific exhibits, demonstrations, and displays covering a range of scientific concepts.

The hands-on nature of the visit allowed students to participate in activities and experiments, helping them develop a practical understanding of concepts that are introduced through classroom learning.

Knowledgeable guides supported the students during the visit and explained scientific concepts in an accessible and engaging manner.

STEM Engagement

The field trip provided students with direct exposure to **Science, Technology, Engineering, and Mathematics (STEM)** concepts.

Students were encouraged to observe, question, explore, and understand how scientific principles can be applied in practical situations. This experiential approach helped reinforce classroom learning and encouraged students to develop greater interest in scientific exploration.

Impact

The field trip enhanced students' understanding by connecting theoretical knowledge with practical experiences. It encouraged curiosity, critical thinking, observation, and active participation in learning.

The experience also helped students recognize the relevance of science and technology in everyday life and encouraged them to explore STEM subjects with greater enthusiasm.

Conclusion

The educational field trip to TDF Magnificience provided students with a valuable experiential learning opportunity. By combining interactive exploration with scientific learning, the visit strengthened students' understanding of STEM concepts and supported the school's commitment to practical, inquiry-based, and holistic education.

Audit Report 2023
